

## Drug Facts

### Active ingredient (in each softgel)

Docusate Calcium 240 mg.....Stool Softener Laxative

### Purpose

- Uses**
- relieves occasional constipation (irregularity)
  - generally produces bowel movement in 12 to 72 hours

### Warnings

**Ask a doctor before use if you**

- have stomach pain, nausea, or vomiting
- have a sudden change in bowel habits that persists over a period of 2 weeks
- are presently taking mineral oil

**Stop use and ask a doctor if**

- you need to use a laxative longer than 1 week
- you have rectal bleeding or fail to have a bowel movement. These could be signs of a serious condition.

**If pregnant or breast-feeding**, ask a health professional before use.

**Keep out of the reach of children.** In case of overdose, get medical help or contact a Poison Control Center right away.

**Tamper Evident:** do not use if imprinted safety seal under cap is broken or missing.
