

Drug Facts

Active ingredient (in each caplet)

Guaifenesin 400 mg.....Expectorant

Purpose

Uses helps loosen phlegm (mucus) and thin bronchial secretions to make coughs more productive and rid the bronchial passageways of bothersome mucus

Warnings

Ask a doctor before use if you have

- persistent or chronic cough such as occurs with smoking, asthma, chronic bronchitis, or emphysema
- cough accompanied by excessive phlegm (mucus)

Stop use and ask a doctor if

- cough lasts more than 7 days or comes back
- cough occurs with fever, rash or persistent headache

These could be signs of a serious illness.

If pregnant or breast feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.
