

Drug Facts

Active ingredient (in each softgel) **Purpose**
Docusate Sodium 100 mg.....Stool Softener

Uses • relieves occasional constipation (irregularity)
• generally produces bowel movement in 12 to 72 hours

Warnings

Ask a doctor before use if you • have stomach pain, nausea or vomiting • have a sudden change in bowel habits that persists over a period of 2 weeks
• are presently taking mineral oil

Stop use and ask a doctor if

• you have rectal bleeding or fail to have a bowel movement.

These could be signs of a serious condition.

• you need to use a laxative longer than 1 week

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions • do not exceed recommended dose
• adults and children 12 years and older: take 1 to 3 softgels daily, usually 1 softgel daily after the first bowel movement, or as directed by a doctor.
• children under 12: ask a doctor
