

Drug Facts

Active ingredient (in each tablet) **Purpose**
Sennosides 8.6 mg.....Laxative

Uses • relieves occasional constipation (irregularity)
• this product generally produces a bowel movement in 6 to 12 hours

Warnings

Do not use for more than one week unless directed by a doctor.

Ask a doctor before use if you have

- abdominal pain, nausea or vomiting
- noticed a change in bowel habits that lasts over two weeks

Stop use and ask a doctor if you have rectal bleeding or fail to have a bowel movement after use of a laxative. These may indicate a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away. ▶
